### TRINITY TRACK TEAM DEFEATED BY WORCESTER.

Home Team Weak in Weight Events.  
Ameluxen and Hungerford Star.

Trinity was defeated in track last Saturday by Worcester Tech. 76 to 49. The visitors piled up their lead mostly in the weight events, in which Trinity was extremely weak. Ameluxen and Hungerford starred for the home team. The former won first place in three events—the 220-yard low hurdles, the 100-yard dash and the broad jump; the latter took first place in the mile run. In the 100-yard dash, Captain Ransom strained a tendon in his left leg and was troubled throughout the whole meet.

Due to the bad weather, the track was very heavy. The conditions for the meet were far from good.

The summary:

100-yard dash—First, Ameluxen, Trinity; second, Pickwick, Worcester; third, Ransom, Trinity. Time 10 2-5 seconds.

120-yd. high hurdles—First, Lyman, Worcester; second, Carton, Worcester; third, Tenney, Trinity, disqualified. Time 18 3-5 seconds.

Broad jump—First, Ameluxen, Trinity; second, Carter, Worcester; third, Tenney, Trinity. Distance 20 feet 8 inches.

One-mile run—First, Hungerford, Trinity; second, Bushnell, Worcester; third, Hoar, Worcester. Time 4 minutes, 58 1-5 seconds.

440-yard dash—First, Manning, Worcester; second, Ransom, Trinity; third, Guertin, Trinity. Time 57 seconds.

Hammer throw—First, Dudley, Worcester; second, Farnsworth, Worcester; third, Richman, Trinity. Distance 107 feet 5 inches.

Discus throw—First, Nelson, Worcester; second, Nelson, Trinity; third, Armstrong, Trinity. Distance 91 feet 8 inches.

220-yard low hurdles—First, Ameluxen, Trinity; second, Carter, Worcester; third, Wightman, Worcester.

Two-mile run—First, Garland, Worcester; second, Clapp, Trinity; third, Murphy, Trinity. Time 10 minutes 51 3-6 seconds.

High jump—First, Wightman, Worcester and Nelson, Trinity, tied for first; Carter, Worcester, second. Height, 5 feet 2 inches.

Sixteen-pound shot put—First, White, Worcester; second, Pierce, Trinity; third, Holm, Trinity. Distance 31 feet 7 inches.

220-yard dash—First, Pickwick; (Continued on page 3.)

"His thought in connection with his work among the students has been to develop initiative and encourage them in the direction of leadership."  
Rt. Rev. C. H. Brent, Bishop of Western New York.

The Reverend Remsen Brinckerhoff Ogilby of New York was elected president of the college at the Trustees' meeting on Saturday, to succeed Dr. Flavel Sweeten Luther who resigned July 1, 1919. The college has been in charge of Professor Henry A. Perkins since Dr. Luther's resignation. Professor Perkins will probably continue at the head of the college for the rest of this year, as it was the opinion of Charles G. Woodward, appointed by the Trustees to meet representatives of the press, that the inauguration of Mr. Ogilby as president would not take place until fall.

The new president is thirty-six years old and married. He is a clergyman of the Episcopal Church. Since his graduation from Harvard he has spent the greater part of the time in teaching. He has been engaged in pedagogy in New England and in the Philippine Islands and, during the war, was a chaplain in the army. He comes to Trinity, having turned down the presidency of another college in this country, and with the highest recommendations from the clergy, the military, and important men in other walks of life.

Reverend Mr. Ogilby was graduated from Harvard University in 1902. After his graduation he was the master at Groton School, Groton, Mass., for a short time and then entered the General Theological Seminary in New York City. After two years there he transferred to the Episcopal Theological School at Cambridge in 1906. He received the degree of Bachelor of Divinity from this institution in 1907 and received the degree of Master of Arts from Harvard University the same year.

### Organized School.

After his ordination he was appointed assistant at St. Stephen's Church in Boston, of which Reverend C. H. Brent, later Bishop of the Philippines and now Bishop of Western New York, was then rector. In 1908 he went to the Philippines, where he organized the Baguio School for American Boys. Although the school is still young, thanks to Mr. Ogilby's administrative ability and interest, it has made, through its graduates, an enviable record in our Asiatic possession. Mr. Ogilby refused the headmastership of one of

the largest preparatory schools in the United States in order that he might continue his work in the Far East.

When the United States entered the war, Mr. Ogilby sought service as a chaplain with our troops overseas. He was commissioned as chaplain and in 1918 was ordered to the West Point Military Academy as chaplain. He was there for three months, and though the post was offered permanently to him, declined in the hopes of more active service. He was at Hoboken, ready to sail for France, when the armistice was signed, and was transferred to Debarkation Hospital No. 5 in the Grand Central Palace in New York City, where he had a large force under him as chaplain of the hospital. He remained there until June, 1919.

### Resolution on Professor Humphrey.

The following resolution was adopted on the matter of the suggested resignation of Professor Edward F. Humphrey: "Resolved, That the recommendation of the executive committee that no action is necessary at this time in regard to Professor Humphrey, be approved and adopted; and that this board is of the opinion that the causes of irritation which led to the suggestion of his resignation do not seem at present acute enough to warrant official action."

It was announced that the names of the men to be honored with honorary degrees from Trinity at Commencement would not be given out until June.

Ernest Carey, Ph. D., was appointed professor of the Greek language and literature for the next year, to take the place of Professor Frank Cole Babbitt, who has been granted a leave of absence. Professor Carey is a graduate of Harvard University. He is now working in the Loeb Classical Library at Princeton University.

The following trustees were present at Saturday's meeting: Sidney G. Fisher, William S. Cogswell, Robert Thorne, the Rt. Rev. Chauncey B. Brewster, the Hon. Joseph Buffington, Ambrose S. Murray, the Hon. Frank L. Wilcox, Edgar F. Waterman, George Dawson Howell, John P. Elton, Shiras Morris, William Stimpson Hubbard, E. Kent Hubbard, Charles G. Woodward, Frank C. Sumner and Samuel Ferguson.

The following telegram was sent to (Continued on page 2.)

### TRINITY NINE

LOSES FIRST GAME.

Amherst Defeats Team 4-0 in Well-Played Game.

After the first three games on the schedule were cancelled on account of wet weather, Trinity managed to get started in baseball Saturday. The game was played at Amherst on a day that would have been ideal for football but had little to recommend it to players or spectators of the national pastime. Amherst landed on Reynolds hard in the third and fourth innings and put across four runs as the result of nine closely-bunched hits. Except for the two fatal innings, Reynolds pitched air-tight ball and received fine support. Trinity's weakness lay in the inability of the team to bunch its hits when clouts meant runs.

### First Inning.

Cram led off for Trinity and worked Zink for a base on balls. He went to third on Nichols' single. Nichols stole second. Reddish fanned, Leeke flied out to Weber, and Lynch grounded out, third to first. No runs, one hit, no errors.

Eveleth opened the Amherst half of the inning with a screaming two-bagger. McNamara bunted along the third baseline and was easily thrown out at first. Eveleth was run down, Cram to Nichols. Seamans walked and stole second. Maynard also got to first on four wide ones. Cowles went out, Cram to Leeke. No runs, one hit, no errors.

### Second Inning.

Buckley singled and stole second. Bowdidge fanned. Doran grounded out second to first. Reynolds struck out. No runs, one hit, no errors.

Brisk singled and stole second. Weber flied out to Lynch. Davison fanned. Zink walked. Eveleth walked, filling the bases. McNamara was an easy out. Reynolds to Leeke. No runs, one hit, no errors.

### Third Inning.

Cram struck out. Nichols grounded out, Brisk to Cowles. Reddish singled, but died at first when Leeke grounded out, Weber to Cowles. No runs, one hit, no errors.

Seamans lifted a high one to Buckley. Maynard singled and stole second. Cowles hit to Cram and was safe when Maynard was thrown out at third. He went to third on a single by Brisk. Both came home when Weber connected with one of Reynolds' shoots for another single. He made third on Davison's single, the latter going to second on the throw. (Continued on page 3.)

Mr. Alumnus, in the rush of business do not forget that Trinity is going to have a Commencement in June. The college wants you to be present, and so help to make the event one to be remembered. Moreover your classmates desire to see you again. Trinity still stands firmly and strongly where she has stood many years, and as usual she feels it imperative to greet her sons. You, Mr. Alumnus, are included in this number. Come, take advantage of your opportunity.

With the publishing of this issue our work on the editorial staff of "The Tripod" ceases. We are not exactly sorry to be through, for the task has been far from an enviable one. This year criticism has been as active as usual. We have received our share, but feel it has done us no harm. One hears that the harder one is kicked the more he accomplishes. We hope the old saying proved true in our case.

To our successor we extend our sympathy. He may need it, before he reaches our stage of the game. To our friends, should we have a few, we extend our thanks. To our long suffering readers, including critics of all kinds, we say farewell. Unwept, unmourned, silently we depart. Peace reigns once again.

## COMMUNICATION.

To the Editor of "The Tripod":

A student is not put on probation on account of failure in Easter grades, nor can a student get off probation then. This rule is favorable to the students and passed by the Faculty about ten years ago upon petition of the then student body. It is certainly for the students' advantage and therefore they are hereby advised to be content.

Just a word about probation. The very best way to get off probation is not to get on probation. We all have Irish enough in us to see that point.

Furthermore, it is my opinion that

any student can be active and prominent in athletics or other commendable undergraduate activities and yet be able to carry his courses with credit. There is not any too much academic work combined with proper and sufficient undergraduate pursuits that requires any student to fail in either. The failures in academic work are not due to undergraduate activities, nor sufficient recreation for the good of body and mind and soul of any healthy young man, but are due to killing time in trivial or undignified pastimes.

I cannot help thinking all will agree with my opinion. I hope all will do that way anyway. I know it will work for the benefit and good understanding for all of us.

C. A. JOHNSON.

## ALUMNI NOTES.

With keen sorrow "The Tripod" hears of the recent death of William C. Hicks, '91. To his son, William C. Hicks, Jr., '20, it extends its heartfelt sympathy.

'05—Edwin L. Boker is assistant professor of French at Oberlin College.

## Harriman-Cocrafts.

Reverend Charles Jarvis Harriman, '05, rector of St. Paul's Church, Portsmouth, R. I., and son of Reverend Dr. F. W. Harriman, '72, and Mrs. Harriman, and Miss Kathryn Cocrafts, daughter of Mrs. Thomas H. Cocrafts of Providence, R. I., were married in St. Stephen's Church, in that city Saturday. Reverend F. S. Penfold, D. D., rector of the parish, officiated, and, following the ceremony, celebrated holy communion for the bridal couple alone. The bride was given in marriage by her uncle, Otis Freeman of Providence, and she was attended by her niece, Miss Frances Cocrafts, as maid of honor, Lewis C. Harriman, '09, brother of the bridegroom, was best man. The ushers were Captain Reginald B. Cocrafts, U.S.A., and DeLancey Cocrafts, brothers of the bride, Paul Lester Dole, Reverend Carlos E. Jones, '05, Philip Russell of Dedham, Mass., and Whitman Danielson. After a short wedding trip, the couple will reside at Portsmouth, R. I.

## TENNIS SCHEDULE.

The Trinity tennis team will open the season next Saturday when it will meet the racquetters of Connecticut Agricultural College at Storrs. There has been little opportunity for the tennis men to practice as yet on account of the weather, so the makeup of the team is very much in doubt. Jack Ortgies, manager of the team, injured his leg in basketball, but it is expected that he will be in shape for the match Saturday. Joe Hartzmark, manager of last year's team, is probably another member of the team. There is a fair amount of material from which to pick the other two men.

The schedule, to which matches with Yale, seconds and Springfield College may be added, is as follows:  
May 1—Connecticut Aggies at Storrs.  
May 8—Holy Cross at Worcester.  
May 15—Connecticut Aggies at Hartford.  
May 20—Wesleyan at Hartford.  
May 22—Open.  
May 29—Holy Cross at Hartford.

WANT STATE TO CONDEMN  
MARK TWAIN HOME.

At a meeting of the college body held in the public speaking room on Friday, resolutions were unanimously adopted by the college body requesting the State Park Commission to institute condemnation proceedings against the Mark Twain house on Farmington Avenue, in order that it might be preserved as a memorial to the great humorist. The resolution was introduced by John R. Reitemeyer, '21. The text is as follows:

"Resolved, That the student body of Trinity College unanimously favors the efforts being made to preserve the home of Mark Twain as a literary shrine and as a memorial to one of the greatest American authors;

"Therefore, The student body of Trinity College respectfully requests the State Park Commission to institute condemnation proceedings in order that the property may forever remain a memorial to Mark Twain."
